Full name Elizabeth S Pascual Gender Female PECOS ID 9830261940 Individual owner Yes - She owns an unincorporated business on her own. Accepts Medicare, accepts the amount of payment that Medicare claims and does not bill you more than the Medicare deductible and insurance. Medical Practice Family Specialties (primary specialty) Experience over 49 years of varied experience powers medical physician (MD) to help MD or DM, or in Latin: Medicinae Doctor, which means Teacher of Medicine, is a terminal degree for doctors and surgeons. In countries that follow the traditions of the United States, this is the first professional diploma awarded after medical school. Education Training Dr. Elizabeth S Pascual graduated from medical school in 1971. NPPE Information NPI No: 1902892417 NPI Listing Date: NPI: September 21, 2005NPPE Last updated: Tuesday, April 26, 2016 eRx - She is not participating in the Medicare Electronic Appointment Program (eRx) Stimulation. MSF - It does not report quality measures. The Physicians' Health Reporting System (MPC) is a Medicare program that encourages health care providers and group practices to report their quality of care. The quality measures can show how well a health care provider is helping people with medicare. EHR - It does not use electronic medical records (EHR). The Electronic Medical Records Incentive Program (EHR) encourages health care providers to use certified EHR technologies in a way that improves health care. Electronic medical records are important because they can improve the ability of a medical professional to make informed treatment decisions. MHI - She does not commit to heart health through the Million Hearts initiative. Million Hearts is a national initiative that encourages health professionals to report and work well on heart-related activities to prevent heart attacks and strokes. MOC - She is not participating in Medicare Certification Maintenance. The Certification Support Program encourages certified physicians to continue their training and self-esteem throughout their medical careers. Dr. Elizabeth S Pascual has primarily specialized in family medicine for over 49 years of experience. Allopathic and Osteopathic Physicians/Family Medicine Click for Detailed Family Medicine Family Medicine is a medical specialty that is associated with general medical care of a person and family. It is a specialty in width that combines biological, clinical and behavioral sciences. Family medicine is not limited to age, gender, organ system or disease.
